Language and Text

ISSN (online): 2312-2757

The mission of the Language and Text journal is to spread research data on topical issues of the humanities (philology, linguistics, literature, philosophy, history, cultural studies, sociology, psychology, etc.). The journal contains analytical review, reports, archival materials, reviews of research conferences and symposia.

The cultural identity of man who deeply imbibes the human values has a great role in the development of modern society and it can hardly be overestimated. In this regard, the interaction of language and the text is the mirror that reflects the experience of culture required for the sustainable development of society.

Chief Editor: Irina V. Dergacheva, PhD, professor at the Chair of Linguodidactics and Intercultural Communication, deputy dean of the Department of Foreign Languages, MSUPE (Russia).

Deputy Chief Editor: Svetlana V. Krasilinikova, PhD, associate professor at the Chair of Linguodidactics and Intercultural Communication, Department of Foreign Languages, MSUPE (Russia).
