

Erratum to the 2025 Issue. Vol. 2, No. 4

Dear readers!

The editorial board of the journal “Extreme Psychology and Personal Safety” informs about a technical error in the article “Personality traits as predictors of cybervictimization (a study of the correlation between the Big Five traits and cybervictim behavior)” published in the 2025 Issue, Vol. 2, No. 4, pp. 133—149.

Instead of

Kamneva, E.V., Simonova, M.M. (2025). Personality traits as predictors of cybervictimization (a study of the correlation between the Big Five traits and cybervictim behavior). *Extreme Psychology and Personal Safety*, 2(4), 133—149. <https://doi.org/10.17759/epps.2025020409>

It must be read

Kamneva, E.V., Seyranyan A.O., Simonova, M.M. (2025). Personality traits as predictors of cybervictimization (a study of the correlation between the Big Five traits and cybervictim behavior). *Extreme Psychology and Personal Safety*, 2(4), 133—149. <https://doi.org/10.17759/epps.2025020409>

The necessary changes will be made to the text of the article.

Sincerely,
The Editorial Board of “Extreme Psychology and Personal Safety”
